Vintage Craftsman — Patina

The Vintage Craftsman design is reminiscent of the original Craftsman style with modern appeal. Featuring the obscure glass textures of eaton and double granite with a border of cotswald glass.

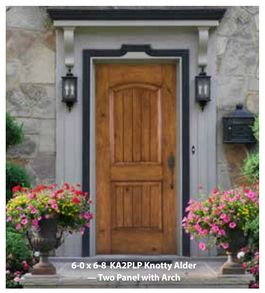
Fiberglass Knotty Alder

Discover the difference with brand new door options.

Knotty Alder fiberglass entrance doors are engineered for durability and longevity while replicating the look and texture of real wood doors.

- Constructed of deep-profile fiberglass reinforced skins with stronger dimensions and crisper shadow lines.
- The high-impact compression molded skins are engineered not to crack, splinter, rust, warp, rot or delaminate.
- Full-length 3 1/2" LVL stiles and 1" top/bottom rails
- Square 1/2" Alaskan Yellow Cypress edges give a true wood door appearance and are rot resistant.
- Environmentally-friendly polyurethane core.
- Available in 6-8, 7-0 and 8-0 heights, hinged left or right.
- Limited Lifetime Warranty.



Note: Doors are shown stained for illustration only. Doors come primed color.
