Re: Website

Web Presence & Your Domain Email **\$330.00**

Graphics and text *must* be organized and provided in digital format.

Includes a business-card presence on the web. We'll take your logo, pictures and text, slogan or message, and address and other contact information and design an attractive web page for you. Provide keywords, and we will include them too. This way your presence on the web will begin to be indexed by the search engines.

This will get you started and you can build your site over time in a cost-effective manner. You will have a way for people to find you on the web and a professional email address with your domain. One layout change/adjustment is included. Assistance in digitizing and preparing images and additional services are available at rates provided on our rate sheet.

All communication via phone, internet conferencing or email.

Video Conferences (skype or iChat)	free
One-time Setup Fee	included
Includes 1 year of domain registration.	
Hosting for the first year	included
Hosting Annual Fee	\$84.00
\$7/month. Includes 2 email boxes.*	

Additional Digital Services Are On Our Published Rate Sheet.

Acceptance of Terms of Service required.

*bandwidth and disk space sensitive (but this covers typical small company sites)
