Turtle Glass

Thousands of marine turtles nest in U.S. coastal areas and building ordinances protect hatchlings by limiting light. RSL turtle glass helps meet those requirements with Impact & non-impact doorglass.

Thermal Performance & Energy Savings

- LowE glass reduces solar heat gain to reduce AC costs in the summer & heating costs in the winter; it also reduces condensation and fabric fading by blocking the majority of harmful ultra-violet rays.
- The U.S. Green Building Council reports that insulated LowE glass can reduce air conditioning expenses by 25-35%.
- See www.RSLinc.com/energy for thermal performance values tested in generic steel & fiberglass doors.
- Over 500,000 IG units under warranty.
- All RSL decorative, blinds, clear & LowE doorglass have been tested and certified in accordance with ASTM E2190 for seal durability, which is needed for NFRC & Energy Star compliance.
- RSL products have excellent Sound Transmission ratings from 28 to 37.
